With pleasure, we can now present the new project "Lago di Como" located in the seaside Mil Palmeras, a stone's throw from both the beach and Padel.

We at Lotus Properties offer our customers for new construction a complete furniture package containing various furniture, appliances and air conditioning.

Here we have 2/3 bedrooms and 2 bathrooms.

Modern and open floor plans and all with generous terraces.

The ground floor residence has private parking and a garden plot, and the top floor have private solarium.

The semi-detached has both garden and solarium.

Depending on which model and size you choose, the prices vary.

In the fenced area there will be two pool areas, one of which is for the little ones.

Here you live within a short walk down to Mil Palmera's beautiful sandy beach and its cozy square, as well as the padel court right outside the door.
