We can now happily present the new project "Villacosta Club 2" consisting of a total of 12 semi-detached houses with a roof terrace and the possibility of a private swimming pool.

The semi-detached houses are offered in two bedrooms and two bathrooms, practically one on each floor.

Open living room adjacent to the kitchen and with access to the garden on both sides, here you have plenty of space for the whole family to hang out, option to choose a private swimming pool.

The roof terrace offers all the hours of sunshine and beautiful views of the surrounding area.

Here you live between several high-class golf courses, close to La fuente shopping center, while it is only a 10-minute drive to the beach.
